

## Spring 2016 | Quick Tips, Reminders & Resources

Welcome to the spring edition of GSC's Faculty Notes e-newsletter, with tips, reminders, and resources for faculty and student success!

---

### Welcome from the Provost & VP of Academic Affairs, Dr. Scott Stanley

As Provost & Vice President of Academic Affairs, I want to thank you for your hard work and dedication to student success at Granite State College. Our recent 2016 Faculty Survey demonstrates that our students have the benefit of taking courses with faculty who are practitioners in their field. Your community engagement and subject matter expertise, along with best practices in teaching and learning, helps our students access a quality education and helps us fulfill GSC's mission. We are also continuing to enhance faculty resources and development offerings, and I encourage you to explore the [Faculty Center](#) and this e-newsletter for more news and upcoming events.

Thank you again for your dedication to academic quality and enjoy the season!

### Faculty Focus: Dr. Gail Poitrast

Faculty Focus is a quarterly series where GSC faculty share tips, resources, and teaching solutions with one another.

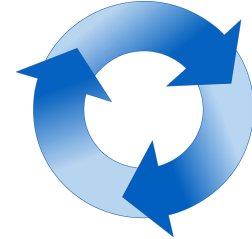

For our spring edition, Dr. Gail Poitrast shares insights about how using whiteboard and recording technology enhances student success.

## GSC's Faculty Evaluation Model

All GSC faculty are invited to participate in an annual Self-Assessment & Faculty Development Plan to reflect on teaching practice and help us identify ways to enhance teaching supports and professional development opportunities.

## Save Time with Moodle Reports

"Having access to these reports has been a huge time-saver and gives me more time to connect with students and build our learning community throughout the course."

~ Robert F. McPherson, GSC Faculty

## Resources for Students

Granite State College is dedicated to student success and offers a variety of resources and supports. Explore the [Student Affairs link](#) for information about student engagement, conduct, and Student Disability Services. For academic resources and supports, you may refer students to GSC's [Academic Support Services link](#).

## Horizons: Academic Excellence

GSC's continued efforts for academic quality includes faculty projects as well as new supports and tools for faculty. Learn more about how the annual ATI Institute, new assessment projects, and a syllabus generator pilot project seek to enhance teaching and student success!
